

Accessibility

The Prestige Consultants is continuously working to make web content and services accessible and usable for everyone. If you should encounter any accessibility issues while using theprestigeconsultants.com, please contact us.

Contact Prestige

Email questions or comments about accessibility of information by filing out your name and email address on the top header of each web page at www.theprestigeconsultants.com or [Click here to email the Section 508 team at Prestige Consultants](#) (link sends e-mail). We monitor this email during normal business hours Monday through Friday EST except for federal holidays or closures.

When contacting PRESTIGE

- Tell us the Web address also known as URL. A typical URL could be <http://theprestigeconsultants.com>
- Describe the problem and information that is not accessible
- Tell us what Operating System you are using
- Tell us what Assistive technology products you are using, if any.

Compatibility

PRESTIGE web sites should be compatible with:

- basic operating system screen magnifiers
- speech recognition software
- operating system speech packages

U.S. Accessibility Laws and Standards

Section 508 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794d), requires federal agencies to make all electronic information & technology (EIT) accessible to people with disabilities unless it would create an undue burden on the agency.

[U.S. Access Board - Guidelines and Standards](#): provides in depth information about the U.S. Accessibility Standards related to Section 508.
